NON-COUNTY AGENCIES--Kitsap Regional Library  
360-405-9100 • [www.krl.org](http://www.krl.org)

The Kitsap Regional Library system is administered by a Board of Trustees whose five members are appointed for five-year terms by the County Board of Commissioners. Trustees must be qualified voters and may not serve more than two full consecutive terms. Nine branches (East Bremerton, Bainbridge, downtown Bremerton, Kingston, Little Boston, Manchester, Port Orchard, Poulsbo, and Silverdale) comprise the Regional Library, with the east Bremerton Branch serving as the administrative headquarters. The library operates a bookmobile and an outreach service for those who are homebound. Computers access electronic mail and the Internet at all the branches. In turn, library services can be accessed remotely through the Internet. In addition, each library is equipped with wireless Internet access (Wi-Fi) for patrons with portable computers (PCs) or personal digital assistants (PDAs). There are also a variety of reading programs at the branches for both children and adults. To obtain a library card go to your local library or online.
